

THE FOUNDATION FOCUS

CREATING LEGACIES.....BUILDING DREAMS!

REMARKS FROM THE CHAIRMAN

Mrs. Florence Darby

As we close out 2025 and prepare to step boldly into a new year, I want to pause and thank every alumnus, chapter, partner, and friend of the Ardenne Alumni Foundation for standing with us during what has been a demanding but deeply meaningful year.

This year reminded us that progress is rarely linear. There were delays, unexpected challenges, and external pressures—most notably the impact of Hurricane Melissa, which has affected construction costs island-wide.

Yet through it all, the commitment of our alumni community has remained strong, resilient, and generous.

As we look ahead to 2026, our focus is clear:

- commence the Wellness Centre, and
- strengthen student support, while
- deepening alumni engagement across the globe through our work.

These goals are ambitious, but they are achievable—together.

I invite you to begin this new year with renewed purpose and a recommitment to give back to the institution that shaped us.

Every contribution of time, talent, or treasure moves us closer to our shared vision.

May 2026 be a year of progress, unity, and impact.

Deo Duce Quare Optima

Flo Darby
Chairman

Creating Legacies, Building Dreams!

Special thanks to

DENZIL DAVIS
Toronto Chapter

for designing and creating the
banner at very short notice.

WELLNESS CENTRE UPDATE

We continue to work behind the scenes to obtain the final approval for the building permit from KSAMC to commence the development of the Wellness Centre. This has not gone as we had expected and will force us to make some changes in our project plan timeline.

Notwithstanding, we are encouraged to report a major regulatory milestone:

- The Fire Department's approval has now been received, with a recommendation forwarded to KSAMC for final consideration.
- Unfortunately, this approval did not arrive in time for the December 2025 KSAMC meeting and hence our application was not placed on the agenda.
- We have since been advised that the application is expected to go before the January 2026 KSAMC meeting. We are awaiting the confirmation of the meeting date.

While this represents a delay, it is also a sign of progress and due process finally moving forward. We give special thanks to our Chairman Mrs. Flo Darby for her tireless efforts in getting us this far.

PROJECT PLAN TIMELINE

We had previously presented a summary of the project plan for this project but with the delay in receiving the permit we are proposing some revision to the timeline which will be finalized once the permit is received. A summary of proposed updated to the project plan is shown below:

Proposed Project Plan Timeline Summary:

- **Phase 1: Planning & Fundraising** (*Commence January 2024 and ongoing*)
- **Phase 2: Preconstruction Activities** including securing necessary approvals from KSAMC (*Projected: January 2025 - February 2026*)

- **Phase 3:** Construction Preparation & Execution Phase A, inclusive of site preparation, foundation/structural work and additional fundraising activities to secure the balance of the funds needed to complete construction. *(Projected: April 2026, with fundraising ongoing)*
- **Phase 4:** Construction Preparation & Execution Phase B; Construction and development of key facilities including interior development, landscaping and other exterior work. Will include ongoing fundraising activities. *(Projected: August 2026 - February 2027)*
- **Phase 5:** Furnishing, testing & Finalization which will include furnishing of the various offices/space, final safety checks and final inspections and approvals as required. Promotional activities for the space will commence in May 2027. *(Projected: March 2027 - June 2027)*
- **Phase 6:** Official launch and operations of the Wellness Centre; includes the implementation of wellness programs and ongoing maintenance and sustainability plans. *(Projected: June - July 2027)*

COST CONSIDERATIONS

Following the recent hurricane, there has been a significant increase in construction material costs across Jamaica. As a result, we anticipate that the overall cost to build the Wellness Centre will increase beyond earlier projections.

This reality makes continued and increased fundraising even more critical in the months ahead.

We continued to encourage support from our alumni, corporate sponsors, and well-wishers. Every contribution brings us closer to making this vision a reality in 2027.

For more information or to support the project, please do not hesitate to reach out to the Ardenne Alumni Foundation. Together, we are building a legacy of wellness for generations to come.

FUNDRAISING ACTIVITY - OPTIMA 5K RUN/WALK - WORK IS IN EARNEST

Planning for the Optima 5K Run/Walk is now fully underway, and the momentum is building. The organizing team is working diligently across logistics, sponsorship, marketing, and volunteer coordination to ensure that the February 1, 2026, staging is our strongest yet.

This event is more than a run, it is a visible demonstration of alumni commitment to wellness, community, and student development. Full participation from alumni across Jamaica and the diaspora is critical. Whether you run, walk, sponsor, donate, or volunteer, your involvement matters.

In addition, we thought it important that as Stardenites we play apart in our nation's recovery and there wasn't a more fitting choice than to support Westwood High School which was badly damaged during the hurricane. Westwood High and Ardenne High have had a strong relationship over the years as students from Westwood would find themselves attending classes at Ardenne as they transition to becoming one of us. A sisterhood cemented in love across generation, even now we welcome them with open arms at Ardenne. It was therefore only fitting that the Foundation chose Westwood to be a beneficiary from funds raised from this year's 5K Run/Walk.

The stakes are higher than before and so we are calling on: - All chapters globally to mobilize participation - Individual alumni to register and donate - Corporate partners to come on board as sponsors.

Every step taken and every dollar raised brings us closer to completing the Wellness Centre and supporting Westwood High School's recovery.

TOGETHER, WE RISE!!
